NATIONAL REACH. LOCAL EXPERTISE

Why Choose Us

USPA Nationwide Security is not only a security firm. We are the parent company of the non-profit organization, Kingsman Philanthropic Corp. Recently featured in Forbes Magazine, Yahoo News and other major media outlets for our one-of-a-kind free services to women and children. **Since 2005, we provide kidnap and human trafficking recoveries of young women, domestic violence assistance to battered wives and missing child location services on six continents.** Recently featured for our work in locating a missing teen in Florida, USPA's Kingsman sets us apart from other security companies. We are a full service, **woman-owned protective service serving the United States with local branch offices in all 50 states.**
